

Here are some photos of flower mandalas:

Photos by Jay Kranyik and Jean Van't Hul

Pictured clockwise from upper left: passionflower, zinnia, bee balm, thistle bud, petunia, rattlesnake master, thistle bloom, cup plant, and sunflower bud (center).

And some of other mandala shapes in nature:

Photos by Jay Kranyik and Jean Van't Hul

Pictured clockwise from upper left: eyeball, little bluestem grass, lime, conch shell, blackberries, lemon cucumber, and grapefruit.
